Drôles de Pagaies

Creation of decorative fish from oars, old paddles and salvaged materials. Palou's "Drôles de Pagaies" are given a second life. Each one is unique, and new families of fish are created every year. And if you have an oar in your attic, you can even order one to be transformed into the "Drôle de..."

Atelier Expo Marie-Catherine Puget

Landscape painting that delivers only a very refined expression. He is a sober figurative artist who sees landscapes essentially as a confrontation with the elements (water, air, minerals, plants), so as to deliver a painting that has character and doesn't confine the eye. Above all, it's a purely...

Alb. ceramic

Because I believe it's essential to surround myself with beauty, and because making an object from A to Z, from design to manufacture, is such a powerful source of vibration, I love ceramics. As a potter, I turn a large part of my pieces, while the other part is cast as in the old companies such...
